Action Required: As stated in paragraph 3.

1. As reported in Reference A, paragraph 1, the medical/vocational rehabilitation program has reduced the number of individuals receiving monthly medical dependency payments to six "hard core" cases. One of this number, a serious medical case who resides locally, [redacted] is funded by Garcia Lines. The background of the cases and previous correspondence with Headquarters regarding resolution of the problem is contained in References B through I. Being forwarded Under Separate Cover are Attachments A, E and F, the case histories for (HERNANDEZ), PEREZ, and (MARTINEZ). Of special interest is Reference C which forwarded case histories on (MOLINA), [redacted] and (POZO) for analysis and comment by the Medical Staff. Medical reports originated subsequent to the submission of the Reference C report and are being forwarded Under Separate Cover as Attachments C, D and E.

2. The current status of each of the remaining cases is summarized as follows:

- a. (HERNANDEZ Hernandez, Raul) (201-290405) 8
EPILEPSY

Receiving outpatient treatment from Dade County Department of Public Health Anti-Convulsive Clinic. A Clinic report dated 31 May 1966 states that (HERNANDEZ) continues to have seizures which the Clinic is attempting to control by medication. (Attachment A.) (U/S/C)

Attachments U/S/C

A through F as described

continued.....

Distribution

3-WH/C w/1 cy each

Att. U/S/C

(plus 1 cy Dispatch for each 201 file

w/pertinent Att. U/S/O)

TOTAL - 9 cys

- b. ⁶PEREZ Cruz, Rigoberto ⁸(201-291762)
CANCER/Bladder Removed
Receiving outpatient treatment; most recently for a kidney infection. AMBUD-3 states that it is incredible that Subject continues to live. The case is summarized in a report prepared by Dr. Vargas in May 1966. (Attachment B) (U/S/C)
- c. ⁶MOLINA Quintana, Jesus ⁸(201-284434)
MENTAL
Receiving outpatient care at Jackson Memorial Hospital Department of Psychiatry. A 5 May 1966 report from the Hospital recommends that Subject continue under psychiatric outpatient care for at least another year. (Attachment C) (U/S/C)
- d. ⁶[REDACTED] ⁸(201-299101)
MENTAL
Continuing to receive treatment from Dr. Mora who wrote on 11 August 1966 that Subject is very ill and in need of further psychiatric treatment. (Attachment D) (U/S/C)
- e. ⁶POZO Greer, Rolando ⁸(201-292760)
MENTAL
Continuing to receive treatment from Dr. Mora who wrote on 11 August 1966 that Subject has shown signs of real improvement which may result in his becoming self-supporting. (Attachment E) (U/S/C)
- f. ⁶[REDACTED] (Garcia Lines. 201 not available)
BLIND (Advanced glaucoma)
Receiving outpatient care at Jackson Memorial Hospital. (Attachment F) (U/S/C)

3. ⁶It is requested that the Headquarters reviewing ⁸action ⁶described in Reference C for handling the cases of ⁸MOLINA, ⁶[REDACTED] and ⁸(POZO) be expanded to include all the remaining cases and that JMWAVE be informed of the conclusions reached concerning the ultimate disposition of these cases.

4. FYI. An amount of \$250,000 was originally authorized for the medial phase of the AMBUD Program. Expenditures under this program have reached a level of approximately \$245,000 with bills outstanding at the present time of \$3,250. It is evident that the cases remaining which require medical treatment as outlined above will necessitate the expenditure of sums in excess of this amount.

Philip G. ELMARD
